EXCAVATING CONTRACTORS

September 21, 2011

To Whom It May Concern,

RTD Enterprises was awarded a subcontract with E.L. Vining & Son to complete a 40 mil textured LLDPE liner, GCL and Geocomposite liner system for the Verso Paper West Slope Slide Area project in Jay, Maine. This work began in mid-August, 2011 and was completed in mid-September, 2011 by RTD without any problems. The approximate total subcontract amount was \$ 635,000.00.

If there are any questions, comments or concerns, you may contact this office.

Sincerely,

Steve Hunt
Project Manager
